SEED DEALER WANTED

DURHAM COUNTY

Our business is growing. We need high-performing people to match our products.

Dow AgroSciences, under the Mycogen Seeds brand, provides growers with top performing corn hybrids, traits and soybean varieties. We currently have a select number of territories available for the right individuals. Each of these territories are in areas where significant growth potential exists with our ever expanding product line.

Responsibilities:

- Promote and sell our superior products by direct calls to customers and prospects.
- Service and support the Mycogen Seeds corn and soybean business.
- Warehouse, invoice and deliver seed to customers.

Qualifications and Remuneration:

- Post secondary education in agriculture combined with previous sales experience would be an asset.
- A motivated, self-starter with the ability to work independently to grow your business.
- Candidate must live in the territory to be offered.
- Dow AgroSciences provides one of the best compensation packages in the industry.

Interested in this opportunity to start your own business from your home operation?

Please contact:
Jennifer Murray
Dow AgroSciences
305 Consortium Court
London, Ontario
N6E 2S8
(519) 685-5150 or fax your resume to
(519) 681-4557
